

Instantly disinfect food production surfaces & equipment

SCOTT® Alcohol Antibacterial Wipes instantly disinfect and kill 99.9% of bacteria on pre-cleaned, hard, non porous surfaces. Suitable for use in food production facilities and areas.

SCOTT® Alcohol Antibacterial Wipe

FEATURES:

Pre-moistened wiper with multi-surface commercial grade disinfectant (70% Isopropyl Alcohol)

Compact and easy to use canister with bowtie lid and foil seal.

RECOMMENDED FOR: cleaning probes, scales, testing equipment & smaller stainless steel & other hard surface benchtops, trolleys, door handles, desks, hand rails, keyboards

BENEFITS:

Helps disinfect surfaces in a convenient wet wipe saving time and effort

Minimises disinfectant from evaporating through drying and reduces wiper wastage
