

WYPALL* X60 Wipers

Versatile. Economical. Hygienic.

The single-use, all-purpose wiper

WYPALL* X60 Wipers bring the absorbing power of our HYDROKNIT* Technology to a lighter-weight wiper. Outstanding yet versatile, it's durable enough to handle general cleaning tasks while absorbent enough to be used for personal wiping. WYPALL* X60 Wipers work as a single use wiper to help improve hygiene and reduce the risk of cross-contamination in your workplace.

Typical Uses

- Applying thinners & solvents
- Cable lubricant removal
- Adhesive cleaning
- Removing grease & oil in tight areas
- Autoclaved for Healthcare applications
- Wiping surfaces
- Absorbing spills
- General cleaning

WYPALL*
BRAND

WYPALL* X60 Wipers

- Made from HYDROKNIT* Fast Absorbing Material
- Strong wiper construction ensures longer lasting performance, maintaining strength wet or dry
- Single-use, highly absorbent wiper minimises the risk of cross-contamination
- Extremely soft and gentle in texture, especially when wet, making the wiper suitable as a personal wash cloth
- Versatile and economical, delivering a balance between performance and value
- No adhesives or binders, leaves nothing behind
- Very flexible, enabling you to clean in the tightest of corners
- Efficient and hygienic dispensing systems allow easy access to wipers for immediate use, while ensuring that individual wipers are hygienically dispensed
- Available in Quarter Fold, POP-UP* Box and Jumbo Roll formats

HYDROKNIT* Technology

All WYPALL* X Wipers are made from our patented HYDROKNIT* material which comprises of soft, absorbent cellulose fibers and strong polypropylene non-woven fabric. The cellulose component allows these wiping cloths to absorb water quickly and effectively, while the tear-resistant polypropylene fabric soaks up more than its own weight in oil and grease. The result is a durable, strong and absorbent wiper, which can be used wet or dry.
